

Veteran Legislation

14 May 07

Following is a listing of Congressional bills of interest to the veteran community that have been introduced in the 110th Congress. By clicking on the bill number you can access the actual legislative language of the bill and see if your representative has signed on as a cosponsor. Support of these bills by other legislators is critical if they are ever going to move through the legislative process for a floor vote to become law. A good indication on that likelihood is the number of cosponsors who have signed onto the bill. A cosponsor is a member of Congress who has joined one or more members in his/her chamber (i.e. House or Senate) to sponsor a bill or amendment. The first member to sign onto a bill is considered the sponsor. Members subsequently signing on are called cosponsors. Any number of members may cosponsor a bill in the House or Senate. At <http://thomas.loc.gov> you can also review a copy of each bill, determine its current status, the committee it has been assigned to, and if your legislator is a sponsor or cosponsor of it. The key to increasing cosponsorship is letting our representatives know of veterans feelings on issues. At the end of some listed bills is a web link that can be used to do that. Otherwise, you can locate on <http://thomas.loc.gov> who your representative is and his/her phone number, mailing address, or email/website to communicate with a message or letter of your own making:
