

Senate Veteran Legislation

13 November 08

Of the 3676 pieces of legislation introduced in the 110th Congress to date by your Senators, the 145 following resolutions & bills are of interest to the non-active duty veteran community. A good indication on the likelihood a bill of being forwarded to the House for passage and subsequently being signed into law by the President is the number of cosponsors who have signed onto the bill. The member who introduces the bill is considered the sponsor. A cosponsor is a member of Congress who has joined one or more members in his/her chamber (i.e. House or Senate) to sponsor a bill or amendment. Any number of members may cosponsor a bill in the House or Senate. At <http://thomas.loc.gov> you can review a copy of each bill, determine its current status, the committee it has been assigned to, and if your legislator is a sponsor or cosponsor of it. To determine what bills, amendments your representative has sponsored, cosponsored, or dropped sponsorship on refer to <http://thomas.loc.gov/bss/d110/sponlst.html>. The key to increasing cosponsorship is letting our senators know of veterans feelings on issues. You can locate on <http://thomas.loc.gov> who your representative is and his/her phone number, mailing address, or email/website to communicate with a message or letter of your own making:
