

Veteran Senate Legislation

13 July 08

Of the 3251 Senate bills introduced in the 110th Congress to date, following are those of interest to the non-active duty veteran community. By clicking on the bill number you can access the actual legislative language of the bill and see if your representative has signed on as a cosponsor. Support of these bills by other legislators is critical if they are ever going to move through the legislative process for a floor vote to become law. A good indication on that likelihood is the number of cosponsors who have signed onto the bill. A cosponsor is a member of Congress who has joined one or more members in his/her chamber (i.e. House or Senate) to sponsor a bill or amendment. The member who introduces the bill is considered the sponsor. Members subsequently signing on are called cosponsors. Any number of members may cosponsor a bill in the House or Senate. At <http://thomas.loc.gov> you can also review a copy of each bill, determine its current status, the committee it has been assigned to, and if your legislator is a sponsor or cosponsor of it. To determine what bills, amendments your representative has sponsored, cosponsored, or dropped sponsorship on refer to <http://thomas.loc.gov/bss/d110/sponlst.html>. The key to increasing cosponsorship is letting our representatives know of veterans feelings on issues. At the end of some listed bills is a web link that can be used to do that. Otherwise, you can locate on <http://thomas.loc.gov> who your representative is and his/her phone number, mailing address, or email/website to communicate with a message or letter of your own making:
