

VETERAN LEGISLATION

13 April 2009

Of the 1979 House and 818 Senate pieces of legislation introduced in the 111th Congress to date by your legislators, the following are of interest to the non-active duty veteran community. A good indication on the likelihood a bill of being forwarded to the House for passage and subsequently being signed into law by the President is the number of cosponsors who have signed onto the bill. Any number of members may cosponsor a bill in the House or Senate. At <http://thomas.loc.gov> you can review a copy of each bill's text, determine its current status, the committee it has been assigned to, who your representative is and his/her phone number, mailing address, or email/website to communicate with a message or letter of your own making, and if your legislator is a sponsor or cosponsor of it. To separately determine what bills, amendments your representative has sponsored, cosponsored, or dropped sponsorship on refer to <http://thomas.loc.gov/bss/d111/sponlst.html>. To review a numerical list of all bills introduced refer to <http://thomas.loc.gov/bss/111search.html>. The key to increasing cosponsorship is letting your legislator know of veterans feelings on issues. Those bills that include a website in red are being pushed by various veterans groups and by clicking on that website you can forward a preformatted message to your legislator requesting he/she cosponsor the bill.
